2015-16 SEASONAL REGULATION

TO: Quinault Tribal Members
FROM: Quinault Ocean Fishers Committee, Quinault Department of Fisheries
DATE: November 17, 2015
SUBJECT: Quinault Indian Nation Grays Harbor commercial crabbing season starting November 19, 2015.

Fishery/Purpose: To establish continuous framework crab harvest regulation for the 2015-16 fishing season for the Quinault Indian Nation.

SEASON: November 19, 2015 through September 15, 2016. It is lawful to set baited crab gear and pull gear starting at 08:00 am Thursday November 19, 2015.

AREA: The area open for fishing to authorized members of the Quinault Indian Nation shall be limited to all waters within Grays Harbor east of a line projected between the outermost end of the north jetty and the outermost exposed end of the south jetty and outside the mouths of tributary streams.

REGULATIONS: It is unlawful for any person to take, or possess for commercial purposes female Dungeness crabs. Only male Dungeness crabs measuring in 6-1/4 inches or more, caliper measurement, across the back immediately in front of the tips may be retained. Retention and/or sale of softshell crab are prohibited. There is no bag limit or quota. All crab harvested in the fishery shall be sold to the Quinault Tribal Enterprise or authorized agents of the Quinault Indian Nation. The use of long-line gear is permitted. Crab pots must have at least two (2) 4-1/4 inch minimum inside diameter escape rings and the lids secured with biodegradable cotton twine. **Each vessel is limited to 200 pots within Grays Harbor. Absolutely no crab may be landed after September 15, 2016. All Crab Must Be landed within Quinault's U&A.**

OFFLOADING NOTIFICATION REQUIREMENTS: It is a violation to offload any ocean crab unless the following requirements have been met:

1. Vessel skipper is required to contact Taholah Police Department dispatch at **360-276-4423 (or 4424)** before entering Grays Harbor with ocean crab.
2. The skipper will provide the following information when they call: Time of arrival, estimated time of off-load, and location of off-load in Westport.

All calls will be logged by Taholah Police Department for proof of compliance and Fisheries Enforcement Officers will be notified. Failure to follow these requirements will be a violation of this regulation.

REPORTING: All catch including ceremonial and subsistence must be reported on fish receiving tickets. Dungeness Crab shall be sold only to Quinault authorized commercial fish buyers. The sale of Dungeness Crab harvested for ceremonial and subsistence use is prohibited. **Due to potential health concerns with biotoxins it is important to report catch areas as accurately as possible on fish landing tickets.**

GEAR IDENTIFICATION: All crab pots, whether attended or unattended, must be clearly marked on the buoy with the fisher's tribal identification number preceded by the number 18.

GEAR REGISTRATION: Before participating in the 2015-16 Dungeness crab fishery it is the responsibility of Quinault Fishers to register buoy colors, buoy identification number and amount of crab pots being fished with the Quinault Fish and Game secretary. No fishing is allowed until this requirement is met.

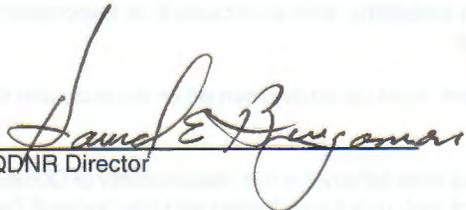

2015-16 SEASONAL REGULATION continued...

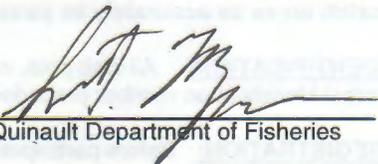

2015-16 SEASONAL REGULATION

AUTHORIZED FISHERMEN: Only Quinault Indian Nation members who possess a Quinault Indian Nation identification card and authorized spouses or children are allowed to fish.

GEAR REMOVAL: All pots shall be removed when the fishery closes on September 15, 2016.

JUSTIFICATION: The recent test fishery results indicate that crab condition is healthy and harvestable, provided processing guidelines are followed.

David E. Bergman
