Updated May 15, 2013
Title 48 Regulations – Land Use Development

These regulations are promulgated by the Planning Commission pursuant to 48.03.070(b)(4). These regulations are promulgated on the 21st day of May, 2012, to take effect immediately and remain in effect until rescinded by the Planning Commission.

R48.05.070.001 Application of Regulations

The Land Use Planner is authorized to issue Special Temporary Retail Use Permits (STRUP) under Title 48 – Land Use and Development, authorizing the sales of fireworks in the Village of Taholah between June 17th through July 10th of each year according to these regulations.

R48.05.070.002 General Provisions

(a) Individual vendors are limited to two (2) STRUPs per vendor activity type, per person, per year, for a total of six (6) permits per person per year.

(b) The Vendor Location Map created by the Land Use Planner is incorporated by reference into this regulation and delineates the location of all available vending spaces, scaled according to size, in accordance with 48.05.070(b). A copy of this map will be kept at the Planning Office and copies will be distributed to potential vendors.

(c) Every vendor must submit a signed Hold Harmless Agreement provided by the Planning Department.

(d) All vendors will be required to have one (1) waste receptacle within their Vending Space.

(e) All Vending areas must have all debris, stands, litter, and all other materials removed by July 10th to remain compliant with the STRUP. If the vendor in closest proximity to an unclean area fails to meet this requirement, that vendor will receive notification via postal mail that a fee for clean-up, not to exceed $100.00, will be added to their STRUP fee the following calendar year.

(f) The Land Use Planner may designate in writing another staff member of the Quinault Indian Nation to enforce these regulations.

(g) Storage of stands before June 17th, 2010 and after July 10th, 2010 must be in conformance with the Nation’s Title 48-Land Use Development.

R48.05.070.003 Vendor Lottery

(v) Vendors who have two or more applications will wait to have additional reference numbers drawn until all potential vendors have picked a Vending Space.
